

Command

```
classDiagram
    class Command
    class LightOffCommand
    LightOffCommand --|> Command
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled 'Command'. Below it is a gray rectangular box labeled 'LightOffCommand'. A vertical blue line connects the bottom of the 'LightOffCommand' box to the bottom of the 'Command' box, ending in a blue arrowhead pointing upwards. This represents that 'LightOffCommand' inherits from 'Command'.
